Welcome to the BPS news
The newsletter of Bristol Philatelic Society

September 2021

Welcome to the first newsletter of the 2021/2022 season

It's been over 12 months since we had a meeting of the Society and we held an AGM to catch up on business and 9 members attended.

Ron Gillard assumed the role of President and thanked Ian Spencer the outgoing President for all his work during unprecedented times.

The theme for the evening was

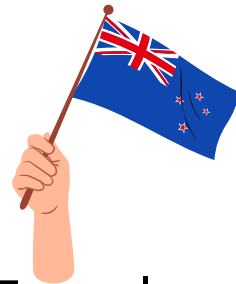

Anything Goes

An evening where members showed their recent collecting interests.

Among the subjects included were:

Windmills - Mike Breward

Neil Jones - New Zealand

Peter Miller - Thrace and Cats

David Beal - Bisepts

The meeting was very enjoyable and it was good to see members face to face. Socially Distanced of Course

The next meeting will be on the 28th of October
It will again be a members evening entitled:

The letter E

Followed by a Bourse where members can bring material to sell.

Subsequent meetings are as follows:

Thursday 25th November
Bristol Federation 9 sheet competition
Rehearsal

Thursday 10th November

Christmas Meeting

Philatelic Quiz

and

"What Else do I Collect"
with Raffle and Festive Fare

Thanks to Mike Breward for arranging the meetings and look forward to seeing members and guests soon.
