BPS NEWS

The newsletter of Bristol Philatelic Society

June 2022

So another philatelic season comes to an end. We have to thank Mike Breward for organising such an interesting and varied programme.

He is now having a well earned rest and is handing over to Ian Spencer and we look forward to starting again in September.

Here are the guest speakers we have been entertained by over the past 3 months.

Barry Stagg with
The Ups and
Downs of
Parachuting

Brian Purcell with
GB Basic Letter Rates
1839-1970

Tony Stanford with
The Bechuanalands

This year it is 125 years since the Bristol and Clifton Philatelic Society was founded in 1897 and subsequently joined with Bristol North Philatelic Society to form the Society we know today. We celebrated with a lunch at the Beehive Pub in Bristol.

President Ron Gillard proposed a vote of thanks to Mike Breward for his hard work arranging the programme and presented him with a token of our thanks.

The new season Starts in September please see the website for details.
